"Boys Town" Report Due For Knights

A progress report on the drive to raise funds for Rancho San Antonio, the "Boys Town of the West," will be made by Stacy Rodman, committee chairman, at the next meeting of the Los Crusados Council of the Knights of Columbus to be held on Monday, Aug. 17th, at 8 p.m.

"Rancho San Antonio—Maker of Men," are the words used by His Eminence, James Francis Cardinal McIntyre, in describing the 37 acres of pleasant terrain in the western end of Southern California's San Fernando Valley... home to 100 teen-age boys, victims of a reversal or setback in the game of life.

"For the boys in residence," according to home officials, "Rancho San Antonio is a home for rehabilitation, social and spiritual, for the victims of misdirected environment or parental breakup; or for those who for a brief moment at one time or another attempted minor retaliation upon a modern society which they felt was responsible for their misfortunes. They are not bad boys. They are boys who need only a chance to prove their merits, their ambitions and their skills. At Rancho San Antonio the youths, ranging in age from 12 to 16 years, are accorded these opportunities."

The fund-raising drive for the "Boys Town of the West" is the principal project of the Los Crusados Council, a Torrance-Redondo Beach area fraternal organization. Plans for the annual picnic to be held Aug. 30th at Peck's Park, and the entering of teams in a bowling league will also be discussed at next Monday's meeting.

Dixieland Band Opens

Rosy McHargue, the noted jazz clarinetist and beandleader, has opened with his Dixieland Band at the Marineland Restaurant on the Palos Verdes peninsula, where the celebrated instrumental group has returned for another engagement in the aquatic "Porpoise Room."

The music-makers headline the current entertainment bill, having been signed for their third Marineland Restaurant appearance by owner George M. Foster. They are scheduled to play for the cocktail and dinner patrons for the next eight weeks.

Featuring the sweetest music this side of Dixie, Rosy McHargue's swinging band last appeared in the "Porpoise Room" seven months ago and garnered the biggest Torrance following of any showmen to ever play at the dining establishment.

The Dixieland Band, headed by McHargue, is among the great array of musical artists scheduled by Foster to entertain this fall and winter at his Marineland Restaurant.

Young Bandit Gets About \$75

A young, slender bandit got about \$75 when he robbed a market in the Carson area Tuesday afternoon, according to sheriff's deputies.

Walter and Fay Chilton, operators of the store at 424 E. Carson St., said the thug threatened them with an automatic pistol and forced them to lay on the floor while he rifled the cash register.

Chilton chased the bandit from the store and said he saw him leave in a car driven by a woman.

Robert Crites, 24, 123 Kenny St., Santa Monica, was in custody of Inglewood police Monday after he attempted to cash a check for \$129.30 drawn on the Southwest Plastering Co. at an Inglewood market, according to Inglewood police.

Torrance police department detectives believe the check was one of fifty reported stolen Saturday night from the plastering concern. Improved Shark Lookout Promised

A more intensive lookout for sharks along the Los Angeles County coastline was promised today by Supervisor Burton W. Chace.

Pointing to the "launching" of the new County Lifeguard rescue boat, Baywatch III, at Paradise Cove last Friday and the Baywatch II at San Pedro in June, Chace said:

"We now will be able to provide a better patrol against sharks along the entire coast line. Although Lifeguard rescue boats are intended primarily for rescues, they, nevertheless, will also be able to provide a better and quicker sighting of any sharks near the beaches."
